Please mark your answer to question 1 in the appropriate box(es) below:

1. Can you ring rounds and call changes:

On 10 bells  On 8 bells  On 6 bells  I'm still learning

2. For **each** of the following methods, please mark the box which best describes your ability. 'Plain Hunt 6' means Plain Hunt on six bells. We assume if you can help others to ring a method or can conduct it that you are capable of ringing it yourself!

Method name	I can conduct touches of this method	I can help others to ring this method (I can stay right even if others are 'wobbly')	I can usually ring touches without help	I need help to ring touches but can ring plain courses	I need help to ring plain courses of this method	I cannot ring this method at the moment

Would you be willing to help train others -

As a tutor?  As a competent ringer supporting a tutor?

Please include below any other information which you think will help us construct our training programme, for example other methods you want to learn or other skills such as ringing / leading up and down in peal :
